RESULTS OF YOUR LANGUAGE ASSESSMENT IN ENGLISH

Tiago Ribeiro, 2017-07-31

The overall level obtained in the language assessment (English) is: **C2** according to the [CEFR](#)

C2

You can understand with ease, virtually everything heard or read and differentiate finer shades of meaning.

Your detailed English language levels in the assessed language competences are:

<p style="text-align: center; font-weight: bold; color: #4a86e8;">Reading Comprehension - C2</p> <p>You can read with ease virtually all forms of the written language, including abstract, structurally or linguistically complex texts such as manuals, specialized articles and literary works.</p>	<p style="text-align: center; font-weight: bold; color: #4a86e8;">Listening Comprehension - C2</p> <p>You have no difficulty in understanding any kind of spoken language, live or broadcast, even at fast native speed, provided you have time to familiarise yourself with the accent. You can pick up on non-verbal and intonational cues with no apparent effort.</p>
<p style="text-align: center; font-weight: bold; color: #4a86e8;">Grammar - B2</p> <p>You understand relatively complex grammatical structures and the relationship between ideas as indicated by high level connecting devices.</p>	<p style="text-align: center; font-weight: bold; color: #4a86e8;">Vocabulary - C1</p> <p>Your good command of vocabulary on a broad range of general, academic, professional and leisure topics enables you to understand most written texts.</p>
